

EAJC ASSEMBLY RESOLUTION No. 3/2021

**Israel, Herzliya,
19 tammuz 5781 (19 June 2021)**

EURO-ASIAN JEWISH CONGRESS,

STAYING COMMITTED AND ACTING IN THE SPIRIT of the resolution of the World Jewish Congress to support the State of Israel:

RECALLS previous resolutions dealing with Israel, including PA0901-1, GB1106-1, GB1510-3 and GB1905-9, which demonstrate the unwavering commitment of the World Jewish Congress and its affiliated communities to the nation state of the Jewish people, with Jerusalem as its capital;

RECOGNIZES the importance of the State of Israel for contemporary Jewish identity and decides to strengthen solidarity with the State of Israel and strengthen ties between Diaspora Jews and Israel and its citizens;

REAFFIRMS its unconditional support for Israel as a Jewish and democratic state, in peace and security and with recognized and defensible borders with a right to defend itself against existential threats;

REITERATES the strong belief of the World Jewish Congress that Hamas, Islamic Jihad and other terrorist and extremist organizations must be held fully responsible for the violence which emanates from Gaza;

CONDEMNNS in the strongest possible terms the recent rocket attacks targeting the civilian population of Israel by Hamas, the launching of "fire bombs" and other aggressive actions of the terrorist regime in Gaza, and regrets this senseless escalation of violence and loss of life on both sides; Reaffirms the unconditional right of the Government of Israel to take all necessary measures to protect its citizens and restore security and stability; and calls on the international community to strongly support the State of Israel;

CONDEMNNS in the strongest possible terms the Boycott, Divestment and Sanction (BDS) movement and all other attempts to delegitimize and/or discriminate against the State of Israel;

REITERATES its condemnation of the anti-Israel bias targeting Israel at the Human Rights Council and other United Nations bodies, as expressed many times in previous WJC resolutions;

CALLS on the United Nations to treat Israel fairly, as it would any other country;

CALLS on the governments of the countries of the EAJC geography, as well as the entire international community to declare all units and "wings" of Hamas as a single terrorist organization and to firmly condemn Hamas for its provocations and actions;

ENDORSES Israel's right to defend its borders against threats from hostile entities, including those funded and / or supported by the Iranian Revolutionary Guard Corps, including Hezbollah;

EXPRESSES CONCERN regarding the recent steps taken by the International Criminal Court against Israel, which is trying to give jurisdiction to states that are not parties to the Court, to grant state status to non-state entities, and takes the position that the definition of the boundaries recognized by the international community should be decided only through direct negotiations between two sides. which is undoubtedly detrimental to the prospects for peace.
